Identity

Saturn Transiting Square Sun

02/02/2007 -> 01/07/2007

Major irritation factors arise as a result of this influence, yet if you use this period to initiate dynamic change you will be able to make dramatic progress in your life.

PROFESSIONAL - IDENTITY: Long-term strategy

You can use this period to rise to the many professional challenges in your life and create the foundations for lasting growth. This is no easy time; many difficulties arise and you will have to work harder and shoulder more responsibilities. Authority figures make demands on you, seemingly without giving you any recognition. If you try to avoid commitment now, you are likely to be dogged by worries and problems. Your self-confidence may be low, and you may feel that you cannot live up to the expectations of others. Time will show that you can overcome difficulties and achieve goals.

Planning and strategy is of the essence, and it pays to plan months ahead and to tighten up schedules, working to realistic deadlines in a committed manner. By completing your work in stages and dividing large projects into smaller sections, you will find that you can handle enormous responsibility. You will not get something for nothing now, but hard work will be rewarded in the long term, so roll your sleeves up and get down to it.

Saturn Transiting Trine Sun

04/12/2007 -> 31/12/2007

Please read page 2: "Saturn Transiting Square Sun"

Neptune Transiting Square Sun

01/01/2007 -> 09/01/2007

Major irritation factors arise as a result of this influence, yet if you use this period to initiate dynamic change you will be able to make dramatic progress in your life.

PROFESSIONAL - IDENTITY: Refining the spirit

As this is a period of self-examination and contemplation, you may not be very motivated professionally. You cannot allow yourself to be the slave of your ambitions now. You have to ask yourself the question: How can my job live up to my long-term ideals about myself and my capacities as a human being? The yardstick as to whether what you are doing is the right thing is the inner feeling of dissatisfaction that wells up from within. Let this guide you in your search for meaningful activity.

The direction you take now is decisive for your long-term spiritual health, so take your time. Knowing what you don't want to do is an important first stage, later you will find something which satisfies every part of your being. This is a time to create room for musical, artistic or creative impulses. Your interest in fellow men and women may inspire you to be more socially involved. The urge for service and even sacrifice is strong.

Emotions

Saturn Transiting Opposition Moon

30/03/2007 -> 09/05/2007

This extremely strong influence can bring change, dilemmas or separation. The likelihood of travel in connection with these issues is strong.

PROFESSIONAL - VALUES: Emotional self-sufficiency

Issues of economic and job security become very pressing at this time, and you will feel a strong drive to overcome any

weaknesses in this area. You can however expect a lot of difficulties, especially if you indulge immature expectations, or rely too much on others. Childish behaviour gets you nowhere now, and if you do not have conscious control over your emotional reactions you can expect to be unpopular.

The atmosphere in your working environment may be rather heavy now - perhaps because of an elder woman who is trying to assert her authority. The more mature you are, the better you can handle trying situations. You have to know when to set limits, whilst still living up to your responsibilities. You can develop the self-discipline and patience to work with people in difficulty, if you choose to.

Mentality

Jupiter Transiting Trine Mercury

17/02/2007 -> 31/12/2007

This long-term and formative influence will enable you to realise your creative potential in the following area. Try to make the most of the opportunities which now come your way.

PROFESSIONAL - MENTALITY: Expanding contact

The effect of this influence depends very much on how you employ your mental talents in your profession. This is the time you should invest in your mental abilities. Knowledge is power, so it could pay for you to go on courses, meet people and expand your sphere of influence. You can expect an increase in the time you spend travelling now, so try to streamline this area of your life. You should be doing more to enlarge your network of contacts, so make sure you are available through telephone, fax or computer. You will talk more, travel more and write more.

If you have any dreams as regards writing or getting some message across to the public, now is the time to go for it, as there is a strong disposition for success in these matters. This is generally a great time for wheeling and dealing, doing business and capitalising on contacts at home and abroad. Nevertheless you can talk too much and be too intellectually pushy. Take time to listen to the opinions and advice of others - you can make misjudgements if you don't.

Saturn Transiting Trine Mercury

01/01/2007 -> 30/09/2007

This is a very beneficial influence, though you may not be consciously aware of the process. Creativity and travel are favoured as you expand your capacities and sphere of influence.

PROFESSIONAL - MENTALITY: Mental self-discipline

You are challenged now to get organised and to administrate your time sensibly. There is a particularly emphasis on improving and consolidating your talents. Long-term plans for training courses or intellectual improvement can be put into effect. Writing or communication blockages must be overcome. You can develop the necessary mental discipline now to attain your goals. Expect communication problems, and expect plans or travel arrangements to be delayed. There needs to be far more attention to detail. Attend to the small print when signing contracts.

Learning to economise with your words and messages is an essential lesson for this period. How can you express yourself most effectively in the shortest possible time? If you develop the self-discipline to organise your daily life so that you can attend to mental challenges, you can expect very satisfactory long-term results. There is a strong emphasis on business matters at this time - but many minor irritations. Take one problem at a time, be patient, and solve challenges with long-term strategies.

Pluto Transiting Trine Mercury

01/01/2007 -> 31/12/2007

This is a very beneficial influence, though you may not be consciously aware of the process. Creativity and travel are favoured as you expand your capacities and sphere of influence.

PROFESSIONAL - MENTALITY: Replace outdated ideas

This is a time of mental pressure, when the mind incessantly dwells on issues without being able to solve them. This mental energy should be used to investigate new subjects and understand the core of things, rather than on needless worries and anxieties. Avoid getting obsessed about issues at this time. Secrets come up now - both your own and other people's - so it is important to be honest. There can be a feeling of a conspiracy, or maybe vicious gossip in the working environment. It is better to be aloof than involved. Lies surface, and so does the truth. However it is now that investigations brings results, even though

the truth can be unpleasant. Vigorous action needs to be taking to root out dishonesty or corruption.

This is an excellent period for working with computers and gaining psychological insight. Courses connected with the science of the mind are favoured. Old systems of accounting, bookkeeping, filing, etc. should be replaced by new. This is an extremely hard-working period, and you may even find yourself working into the night-time hours. Take it easy, as your health can suffer during this period. Acute problems can be experienced with existing transport - this is the time to scrap old vehicles - and new transport possibilities may arise.

Values

Jupiter Transiting Trine Venus

01/01/2007 -> 26/11/2007

This is a very beneficial influence, though you may not be consciously aware of the process. Creativity and travel are favoured as you expand your capacities and sphere of influence.

PROFESSIONAL - VALUES: Blessings

If you are the lucky type, you could not have a better period than this one. This is a time when influential people - particularly women - can guide you towards success, and when your economic resources have every chance of expansion. Success comes in particular in the cultural, intellectual or artistic field, though there is also a reasonable chance of business expansion also. Matters of fairness and justice will cause concern at this time.

It is more important to enjoy life than just work hard at this time - if you can't appreciate life's pleasures now, when can you? What are your true values and goals in your career? This is the time to include them in your plans for the future. However, if you indulge your pleasures too much, this can be an expensive time. You are very vulnerable morally now, and affairs of the heart can lead you into a costly blind alley. Don't cut corners to gain easy profit, a questionable gain now can lead to long-term loss. You are easily seduced.

Jupiter Transiting Conjunction Descendant

01/01/2007 -> 02/10/2007

You can expect powerful change in this area, as you learn to integrate the following influence into your life.

PROFESSIONAL - PARTNERSHIP: Fortune through others

There is a change in emphasis in your professional relationships at this time, and you may wish to embark on professional dealings which include more contact with others or some kind of partnership. Success may be found in counselling and increasing your network of contacts. Contracts and understanding are favoured at this time, as long as you keep your hopes and expectations realistic.

Saturn Transiting Trine Venus

06/02/2007 -> 27/06/2007

This long-term and formative influence will enable you to realise your creative potential in the following area. Try to make the most of the opportunities which now come your way.

PROFESSIONAL - VALUES: Building self-worth

Economical issues come to the fore now, and you will probably find yourself having to work long and hard, perhaps without getting the financial rewards you would like. It pays to economise and save now, or to make very secure investments. By careful economical planning you can create the foundations for future growth, although short-term success is unlikely. Working on professional relationships may be necessary now, and you could be asked to make a long-term commitment.

It would be to your advantage to pay more attention to subtle influences on your career, such as your appearance and personal style. If you want to open doors which have been closed for you until now, learn for example the finer points of diplomacy and overcome clumsiness or shyness in dealing with people. An understanding and appreciation of taste and style can be the keys to much desired status improvements.

Drives

Jupiter Transiting Opposition Mars

01/01/2007 -> 24/09/2007

This extremely strong influence can bring change, dilemmas or separation. The likelihood of travel in connection with these issues is strong.

PROFESSIONAL - DRIVES: Burning enthusiasm

It is important for you to harness the energy and enthusiasm which surges through your body at this time. The competitive edge is sharpened, and you have the courage and vision to enter the rough and tumble of the marketplace and meet whatever challenge that confronts you. You can overcome obstacles now and expand your sphere of action. This is not a time when you can be too interested in diplomatic niceties - you want to get things done, and in a hurry. There is a burning desire to achieve. This is an excellent time for pioneering activities and expansion abroad. It is also a good time for throwing yourself into hard physical work. There is an inclination to get into confrontations now, and it is not helped by your desire to impose your beliefs and convictions on others. You may try to bully your way through. Although it is favourable to act on your convictions regarding what is right and what is wrong, it pays to gain insight first and cultivate greater tolerance.

Saturn Transiting Square Mars

06/08/2007 -> 31/12/2007

This is a time of tension and dramatic change which may be most apparent in your domestic life, or in your career. Use the time to make much-needed changes.

PROFESSIONAL - DRIVES: Developing willpower

This is a time to mobilise reserves of willpower and pursue goals with indefatigable determination. You can expect a lot of resistance now, especially from older men in positions of authority. Effort, long-term strategy and hard work is the remedy for problems that arise at this time. Courageous action leads to the building of lasting edifices now. First of all it is necessary to overcome lack of self-confidence. You may feel that there are men of greater experience available to do the jobs you want, but by training and perseverance, you can - in time - achieve the goals you set yourself. If you don't succeed, try and try again. You will become stronger and more efficient. Great satisfaction can be achieved through the power of organisation and self-discipline - if you rise to the challenge, you will achieve success. This is an excellent time for hard physical work - particularly as regards building and construction.

Wisdom

Jupiter Transiting Opposition Jupiter

01/01/2007 -> 05/01/2007

Very strong tensions will occur in your life in the following area. Other people will impinge on your life and force you to adjust.

PROFESSIONAL - WISDOM: Development of insight

As Jupiter represents areas of your life in which hopes and visions for the future are paramount, as well as the need to gain understanding and meaning, you can expect an increase of awareness and activities in these areas now. If you are motivated by the need for expansion and growth, then you can expect advances. There is increased focus on your ability to act on moral values and pursue your convictions concerning society. This is the time to refine your judgement and manifest your capacity to guide and counsel others. If you have a tendency to overestimate yourself, indulge moral weaknesses or to make premature judgements, then you will be confronted with this side of your character now. If self-discipline and a natural carefulness is a part of your nature however, you can take advantage of opportunities to expand.

Saturn Transiting Square Jupiter

01/01/2007 -> 28/10/2007

Major irritation factors arise as a result of this influence, yet if you use this period to initiate dynamic change you will be able to make dramatic progress in your life.

PROFESSIONAL - WISDOM: Opportunity knocks

This can be a good time in your professional life, if you are prepared to harness your vision of the future to build something lasting. Doors can open for you now, if you have done the necessary groundwork. You can at least reap the benefit of all the efforts you have made to improve your training and experience. People in authority are liable give you recognition, and this can lead to a change of status or well-earned promotion.

If you overestimate your abilities, and hope for success without making effort, then there will be few benefits from this period. You should be prepared to work harder, to wield more influence, and perhaps to travel in connection with your working responsibilities. This is a good time for dealing with authorities and formalising long-term future commitments.

Jupiter Transiting Through 7th House

01/01/2007 -> 25/11/2007

PROFESSIONAL - WISDOM: Insight through others

Good fortune can come your way through chance meetings with others at this time. Influential and wise people may bring opportunities for expansion and perhaps travel. You can advance professionally by expanding your circle of influence and making the right connections. This is a time when you gain insight and a greater understanding in your dealings with others.

Jupiter Transiting Through 8th House

26/11/2007 -> 31/12/2007

PROFESSIONAL - WISDOM: Psychological growth

If you are the lucky type you may come in to money at this time. If you are not, then you may have to deal with large sums of money for some other reason. You achieve an awareness of the power of money and the importance of prestige at this time, but you may also experience the dangers of this power, perhaps through loss or through some legal matter. This is a time when you can develop strength of will through survival issues. This is an excellent time for unearthing secrets and discovering root causes. Psychological theory can enhance professional growth.

Challenges

Neptune Transiting Trine Saturn

04/02/2007 -> 31/12/2007

This long-term and formative influence will enable you to realise your creative potential in the following area. Try to make the most of the opportunities which now come your way.

PROFESSIONAL - SELF-RELIANCE: Dissolution of structures

Your ambitions in life should be revised at this time, as you can no longer expect the same kind of satisfaction through hard work and the attainment of goals. The goals you are trying to reach will prove elusive - perhaps meaningless, so perhaps you should take time off to muse on the direction your professional life is leading you. Dealings with authorities, or establishing your own authority can prove especially frustrating now. Institutions get swept away by new trends.

For some people this is a period when their professional security is really undermined. Jobs can be lost and personal economy weakened. Things built up over long periods of time can dissolve. Nothing can be done to shore up the sinking ship at this time. A degree of fatalism and acceptance can be necessary for a time. Allow unwanted constructions to be swept away by the passage of time, develop patience, and start to define new goals for your future.

Saturn Transiting Through 5th House

01/01/2007 -> 31/12/2007

PROFESSIONAL - SELF-RELIANCE: Work on identity issues

During this phase of your life it is important to overcome any lack of self-confidence that you have in projecting yourself. You will be challenged to put your identity on the line, even if you would rather not. At the same time, if you happen to be rather egocentric, expect severe blows to your pride. You are seeking recognition, but this will not come if you just rely on your charm. It comes only through hard work to produce solid creative results. In the last analysis you are your own judge, and this is the time when you define your own criteria for self-acceptance.

Originality

Uranus Transiting Trine Uranus

01/01/2007 -> 31/12/2007

This long-term and formative influence will enable you to realise your creative potential in the following area. Try to make the most of the opportunities which now come your way.

PROFESSIONAL - ORIGINALITY: Self-renewal

Everybody experiences this influence at similar ages, each time Uranus aspects itself during its 84 year orbit around the Sun. The ages of 21, 42 and 63 are the most significant times of change and reorientation. At these times you are challenged to make some form of renewal in your career. Unpredictable events upset plans and force you to keep up with the rapid pace of change going on in the modern world. It is favourable to broaden your horizons through travel and self-development course, and unfavourable to plod on in the same old direction. Self-realisation should take priority over status and ambitions now.

Transcendence

Neptune Transiting Trine Neptune

23/01/2007 -> 31/12/2007

This is a very beneficial influence, though you may not be consciously aware of the process. Creativity and travel are favoured as you expand your capacities and sphere of influence.

PROFESSIONAL - TRANSCENDENCE: Spiritual readjustment

This influence is experienced by everyone around the age of 41, and as such its effect is rather general. It is however important to consider to what extent your career lives up to your dreams and ideals, because this is the time when you can adjust working rhythms to incorporate some of your dreams. If you have a predisposition for escapism or lack of organisation, you can expect to be confronted by a general sense of dissolution. It can pay to take some time off to tune in to Nature and spiritual or creative interests. At the same time you may wish to review the influence of alcohol or drugs on your life and make some changes.

Transformation

Jupiter Transiting Trine Pluto

14/01/2007 -> 21/12/2007

This long-term and formative influence will enable you to realise your creative potential in the following area. Try to make the most of the opportunities which now come your way.

PROFESSIONAL - TRANSFORMATION: Power play

During this period you will be initiated into the use of power and secrecy in the professional sphere. This may be because you discover hidden factors, corruption or power misuse behind some professional facade, or it may be because you learn to harness your own personal power or psychological insight in your career. Whatever the circumstances you may feel a certain anxiety because of circumstances seemingly beyond your control. Make sure you are on good terms with legal and financial authorities, or at least cover your tracks if you aren't!. Big money can be involved during this period, involving large gains or losses, so make sure you have the best financial advice.

Saturn Transiting Conjunction Pluto

01/01/2007 -> 15/08/2007

Major changes will occur in the area of your life described here and you will integrate new personal behaviour and attitudes in your life.

PROFESSIONAL - TRANSFORMATION: Bonds on power

This influence may not be felt very strongly, unless you have strong Scorpio traits. This is a period when you are confronted with power manifestations in society, and it can be necessary for you to summon up reserves of strength and determination to handle situations which seem beyond your control. Take care in your dealings with police, tax authorities or underworld characters, as you are liable to meet people and groups who are in a position to humiliate you. In professional matters you have to take a closer look at what goes on under the surface. Eliminate any corrupt elements, and look more closely at your motivation when asserting your power.

Neptune Transiting Opposition Pluto

01/01/2007 -> 31/12/2007

Very strong tensions will occur in your life in the following area. Other people will impinge on your life and force you to adjust.

PROFESSIONAL - TRANSFORMATION: Dissolution of power

This influence is rather subtle in its effect, and will be experienced most powerfully by those who have their Ascendant in Scorpio. It can affect areas in your professional life where you experience anxiety, and where you try to force your way through in an unconscious, compulsive or fanatical manner. If control is an important factor in your life, you will lose the ability to exert this control. Learning to give in gracefully and accept the higher forces in society which guide collective life may be the right tactics now. On a positive note, this is a time when you can tune in to collective forces which steer human opinion. You can now understand and use the forces of marketing and propaganda, for better or for worse.
